

INTRODUCING THE NEW-AGE ELECTRIC 3 WHEELER

GREAVES ELTRA

WITH EVERYTHING EXTRA!

DESIGNED | MADE
IN INDIA | IN INDIA

PERFORMANCE EXTRA:

A powerful 9.5 kW PMS Motor paired with a reliable 10.8 kWh LFP Battery, to provide a range of ~105 km per charge and acceleration of 0-30 km/hr in just 6.4 seconds.

TECHNOLOGY EXTRA:

IoT-enabled futuristic digital cluster for real-time GPS tracking of your fleet through our mobile app, anytime, anywhere, along with Bluetooth Connectivity**

SAVINGS EXTRA:

Cover distance of up to 100 km in just ₹86*. Save up to ₹4 lakhs* over 5 years when compared to ICE 3-wheelers, with no maintenance costs*

EARNINGS EXTRA:

Easily transport goods up to 530 kg with a gradeability of 12 degrees. Easy Home Charging in 5-6 hours with zero downtime during daily operations.

TRUST EXTRA:

Built by Greaves, backed by a legacy of 164 years of engineering expertise. Pan-India availability of service and spare parts network support. Always keep moving with 24x7 RSA and upto 5 years extended warranty.

#Optional 170 Cu. Ft with dealer fitment on FB

DIGITAL CLUSTER

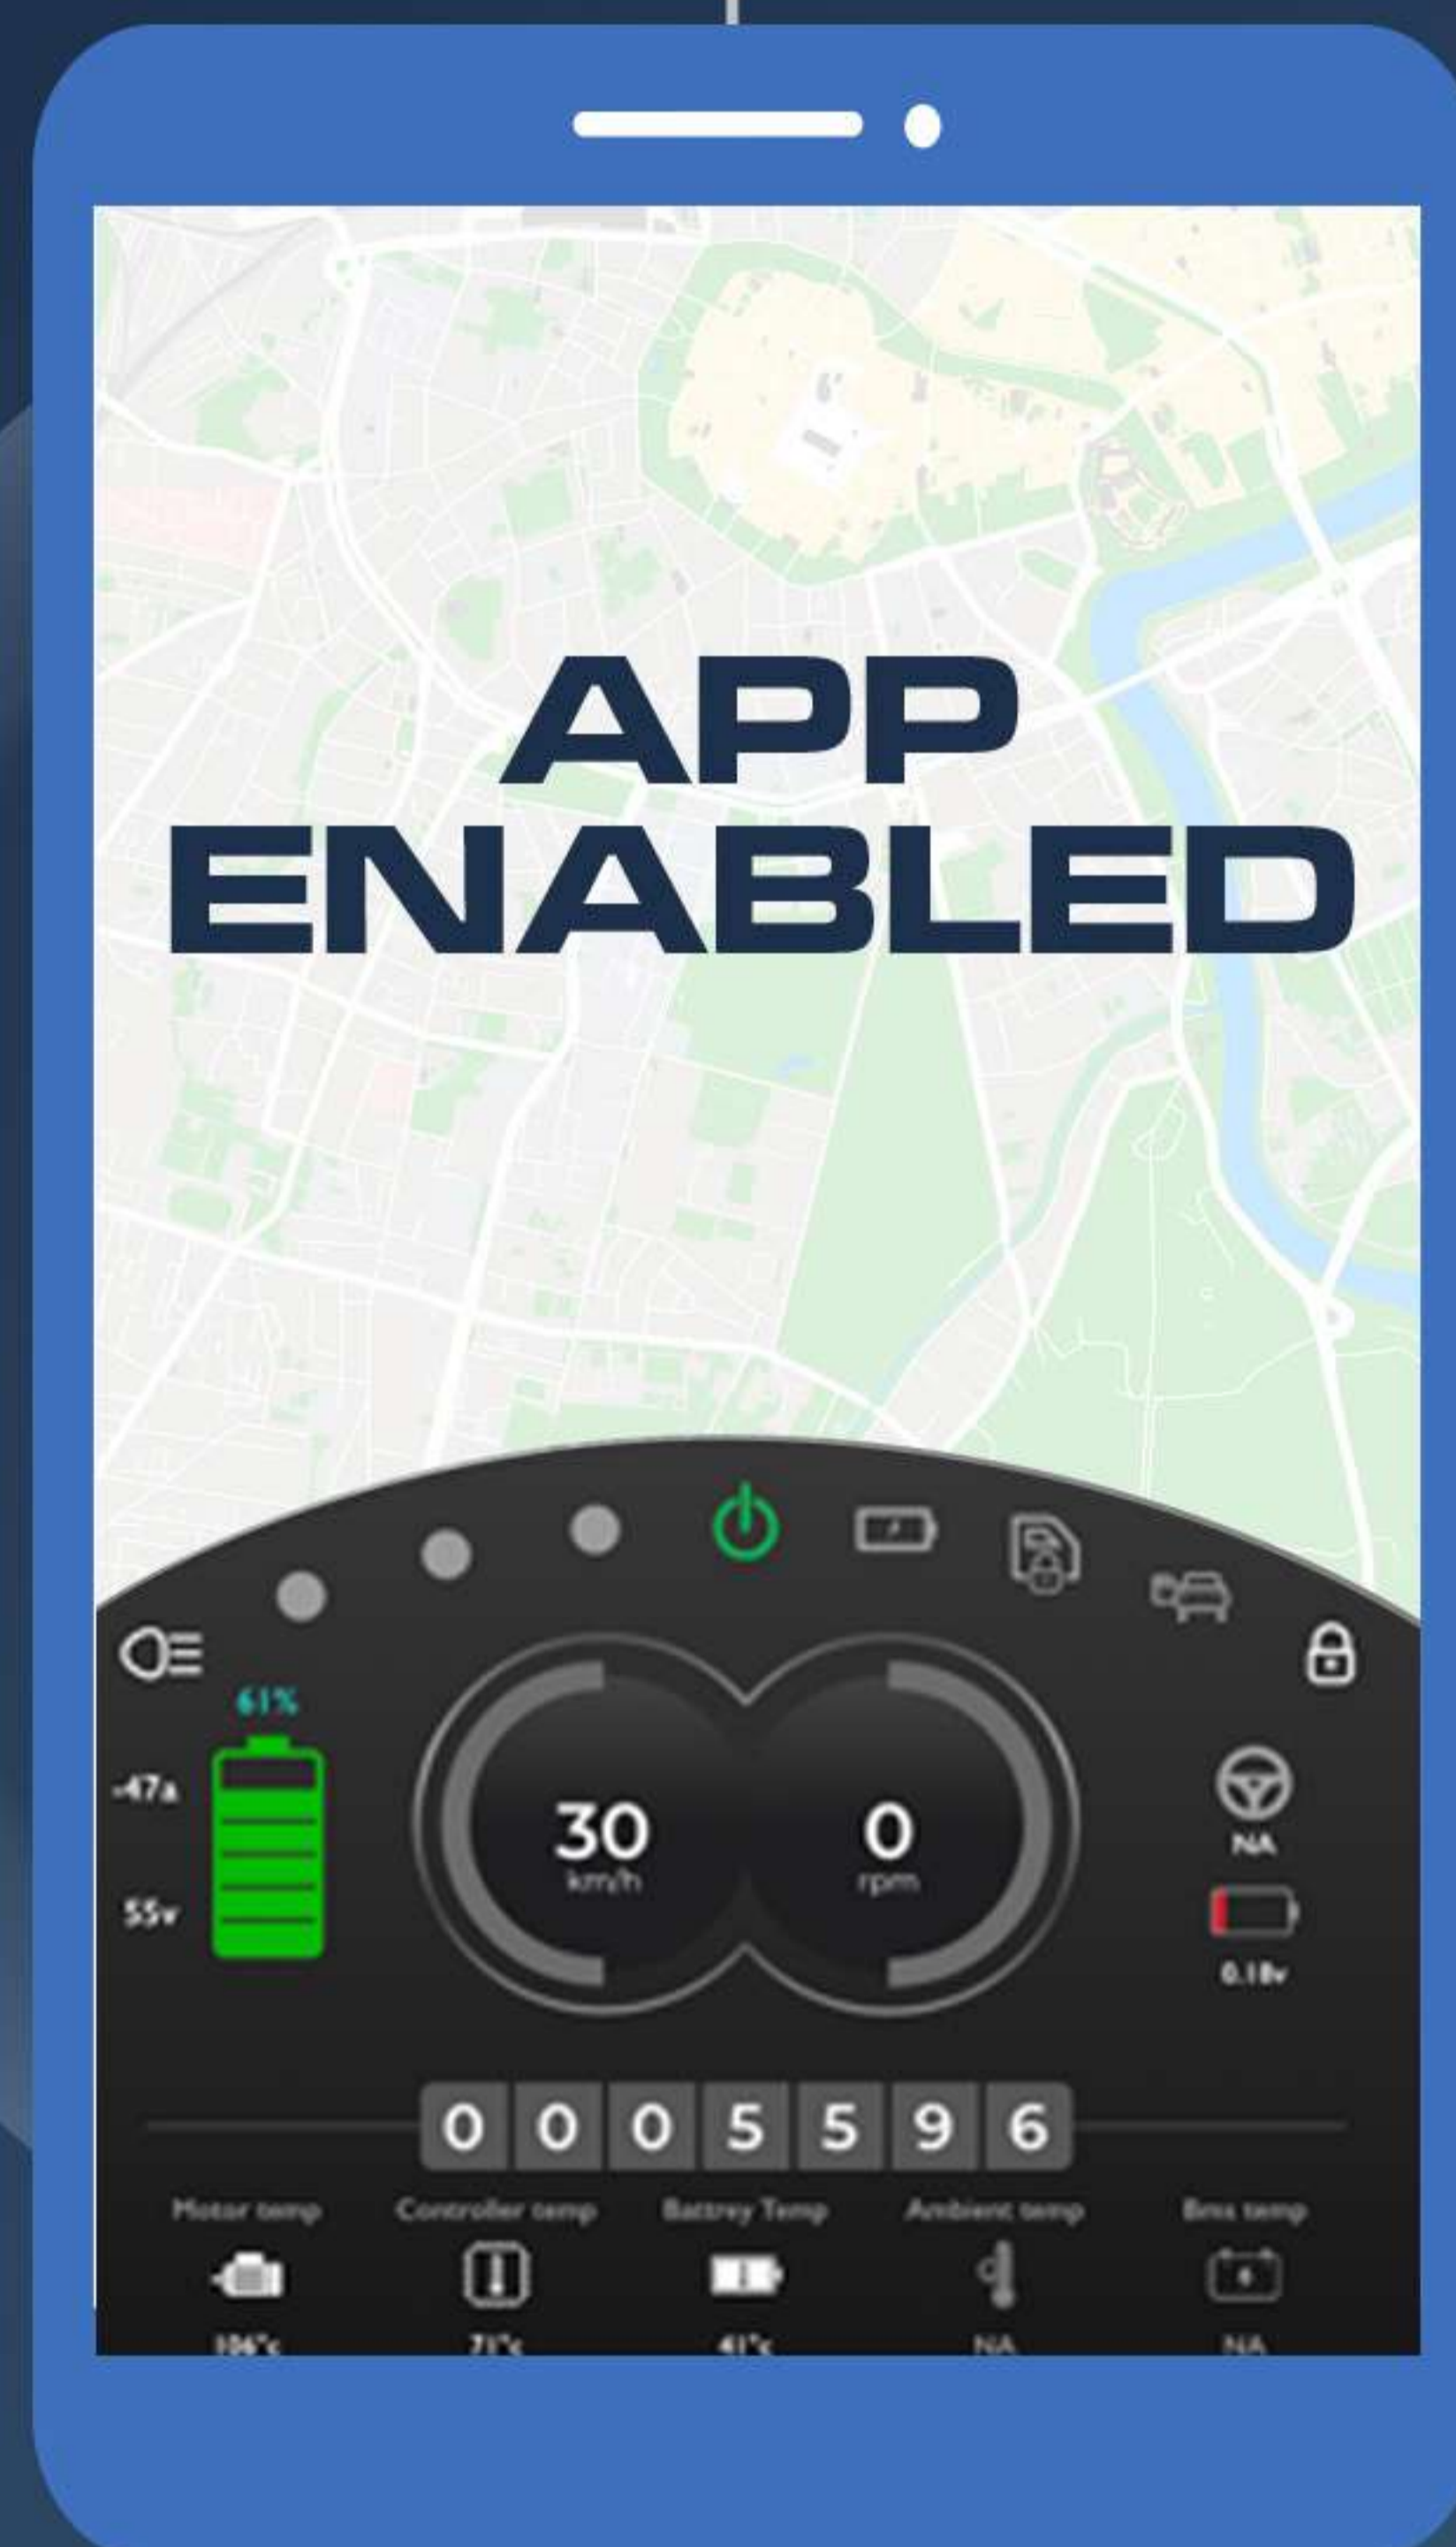

SEAMLESS TRACKING

Get real-time location data of your vehicle and monitor its activity with geolocation & geofencing capabilities.

MANAGE YOUR FLEET REMOTELY

Track and analyse the condition & efficiency of your fleet.

END-TO-END FLEET MANAGEMENT

A complete ecosystem to drive your business to success.

REMOTE DIAGNOSTICS

Get performance alerts in real time to ensure optimal efficiency of your fleet.

GREAVES

ELTRA

Backed by a legacy of 164+ years of engineering excellence, India's leading engine maker Greaves now making the Extra reliable Electric 3 Wheeler for every Indian.

By consistently pushing the boundaries of innovation, we have been Moving India with our reliable range of mobility solutions. We're committed to designing superior-performance, clean-tech vehicles that redefine last-mile mobility.
